AfriNIC Update

**Amsterdam, Netherlands**

RIPE-51 - October 2005

AfriNIC-2 Meeting

- Maputo 26 and 27 April 2005
  - ~80 attendees composed of people from all around Africa region and representatives of RIRs, ICANN and the ASO AC/NRO NC

  - Election of the First ASO AC/NRO NC representatives from AfriNIC region.
    - Jean Robert Hountomey
    - Sonia Geea
    - Alan Barrett

  - Renewal of two seats on the board
  - Discussion of new policy proposals
  - Adoption of Fee schedule + Budget for 2005

AfriNIC training

- **One of our challenge is awareness of ISP in our region on IP resource management.**
  - **Develop a bilingual training plan which will allow us to run up to 10 trainings per year (an average of one a month).**

- **7 very successful trainings have already been organized during the past 6 months:**
  - **~90 participants from more than 15 countries**
  - **French and English**

- **Next training will happen next week in Libreville followed by two other in Pretoria and in Cairo.**

Map of
Africa

Participation to the International Technical coordination fora

- Full participation into the ASO-AC by elected representatives

- AfriNIC has Joined the NRO as full member and participate into all its activities (EC, ECG, CCG):

- More active participation into the WSIS discussions and African position on Internet governance issues.

- Working with NREN to support some IP related work done by universities in Africa.

- To launch v6Mandela Network: A project to educate our community on IPv6 and ease experience sharing around the continent – First meeting to be held in Cairo on the 12/12/05
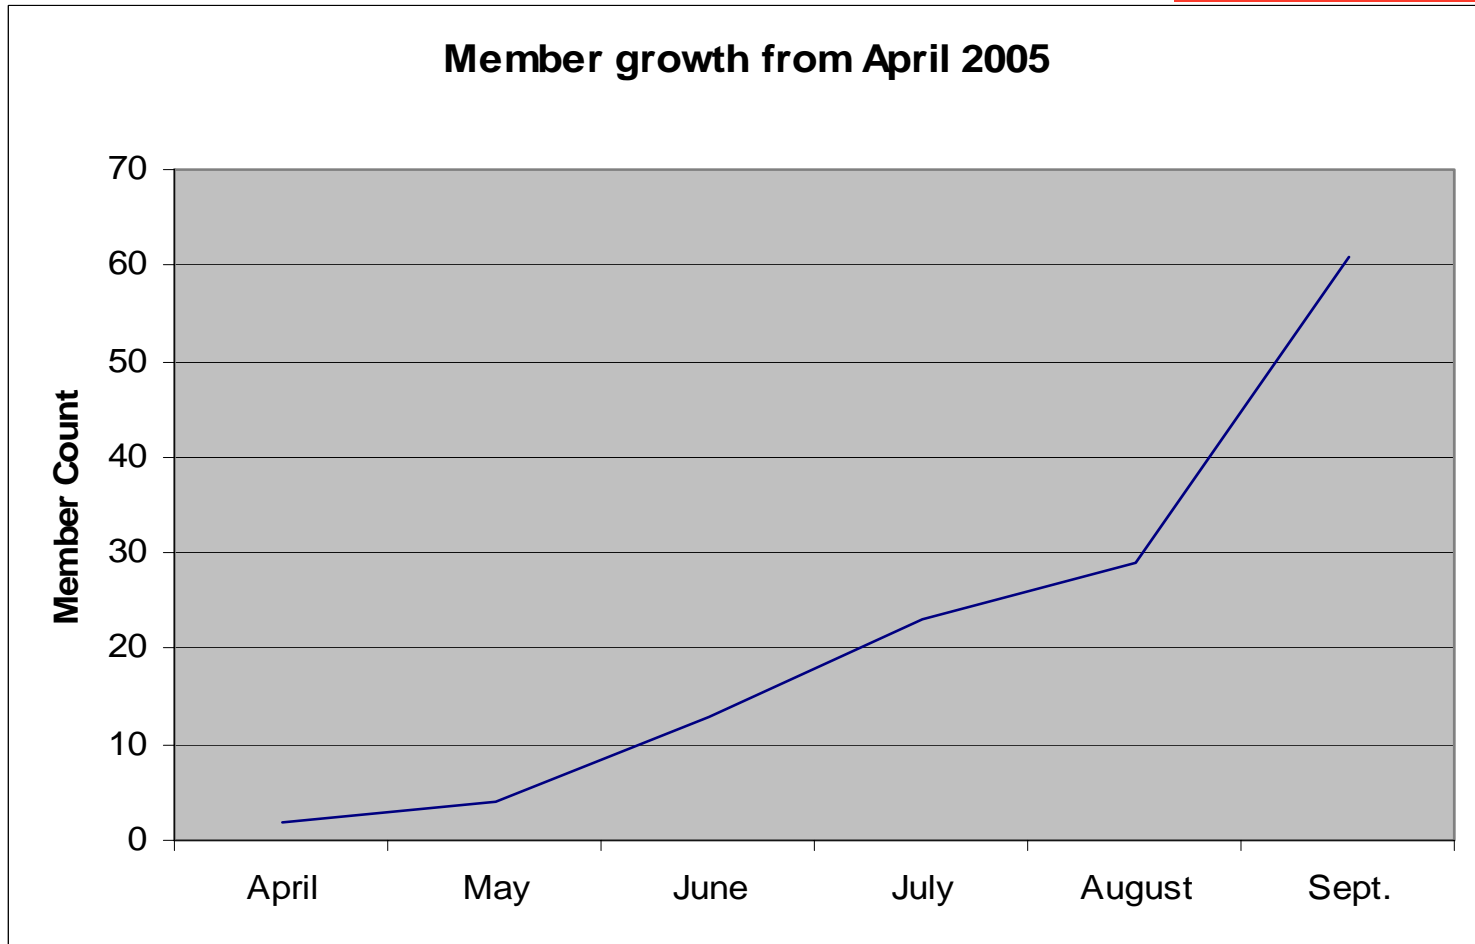

Policies under discussion

- ■ Temporary Assignments & assignments for critical establishments (like IXPs)

- ■ Direct/PI Assignments from AfriNIC to end-user organisations

- ■ Criteria for AS numbers assignment.

- ■ Global policy for IPv6 Allocation from IANA to RIRs.

  - ■ *Status: Currently under discussion on the mailing lists (policy-wg@afrinic.net)*
 - ■ *Will be presented again at AfriNIC-3 for consensus from the community.*
